Stratum description: _____

Artifacts sampled: _____ Cataloguer: G. W. Stone

		Artifacts removed from State House exhibit in 1967 and 1973. Presumed to come from Howard and Forman excavations at the traditional "Secretary's Office and Council Chamber site"; although artifacts from other sites and surface finds may have been mixed with the "Secretary's Office" material. See Report of the Maryland Tercentenary Commission, p. 57; and Forman, <u>Jamestown and St. Mary's</u> , pp. 280-281.
